Number 4

Dear Sisters:

Hope that your new year has started off successfully.

I hope that every chapter has received my letter by this time. At Mid-Year this weekend we calculated the amount that each girl will be responsible for to turn in for the National Fundraising Project - this amount is \$8.00 per girl. Each girl is held responsible for that amount. You may turn in more money than that but a minimum of \$8.00. Please try to get this money in by the end of May.

I know you can do it girls - so let's try for a great project.

Also I would like to have a President's report from each chapter in regard to National Service Projects (Mental Health) and the National President's Project - Muscular Dystrophy. Thanks-

Love in OPhiA,

Jan Abbott,
National Vice President

Dear Sisters,

Since my election as National Expansions Director following Pam Faulkner's resignation, I have been extremely busy. My first year of teaching is keeping my busy and in constant demand of aspirin ! (only kidding)

I have been in contact with a number of women's organizations at various colleges and universities regarding the possibilities of initiating Omega Phi Alpha colonies at these schools.

The following schools are planning to submit their petitions for colonization (hopefully) by February 28, so that they may be voted in as chapters at this summer's convention. They are:

West Virginia Institute of Technology
Montgomery, W. Virginia

Valparaiso University
Valparaiso, Indiana

Western Illinois University
Macomb, Illinois

Mid-Year convention was great. We National Officers are really psyched for convention this summer and are looking forward to

meeting many of you this June if you choose
to attend.

OPhiA Love,

Marilyn Dvornik.

Congrats to our new officers and good luck for the coming year. We also have to congratulate our intramural volleyball team who placed 4th in a field of thirty teams. Alpha's team consists of -

Deb Gochenaur (Capt.)	Chris Schimpf
Jeanette Billings	Deb Stanbaugh
Yvonne Harnden	Renee Albert
Sharon Perkins	Sue Rice
Jo Reese	Sharon Schnarre

Congratulations again, team! The sisters helped the APhiO chapter with their winter rush party. There, plans were made for the APhiO-OPhiA party. Our major service project for the quarter will be soliciting for Muscular Dystrophy in their fund drive.

 Faulkner, Congrats to my big,
 How's your body? Sharon, on her new office.

Well gang, rushing starts Feb. 23 and we're starting out with a wine and cheese party. We're planning on a night of roller skating, a pizza bash and a couple of mixers during rushing and pledging. The sisters and the pledges will work during that time on the Susan Terzian Memorial Scholarship Fund, which raises money by having a liquor raffle.

Around Easter time the pledges will make up Easter baskets full of goodies and bring them over to Mount Laurel Convalescent Home.

Through our service chairwomen, we are trying to initiate work with Cerebral Palsy kids. We'd like to take them to the zoo or a circus.

Now for news about this summer's convention. We'll be taking New York City by storm. Tentatively we're planning on Chinatown, the United Nations, the Statue of Liberty, the Museum of Modern Art, a Broadway show and dinner, Time Square, Radio City Music Hall, Rockefeller Center, Lincoln Center, the

Empire State Building, Central Park, Wall
Street, the Twin Towers, and the Gugenheim
Museum.

We can't fit them all in but we'll pick
out the favorites we think you'll enjoy.

Have any questions or suggestions? Write to
Cheryl Follansbee or Debra Katz, co-chair-
women of this year's convention, 520 Univer-
sity Ave., Bridgeport, Conn. 06602. or call
203-576-2956 (after 9 PM is usually safe).

Take care-Good luck this
semester,

Love and Kisses,

the Beta Sisters

Zeta,

Get high for convention!

Vicki C.

Eta,

Bridgeport needs you!

To my big, Jo,

It's great to have you back this quarter.

OPhiA Love, One of your littles, Beck

Delta Chapter hopes that everyone had a very happy holliday season. The day before classes met the officers got together and talked about a few activities for this semester. First was rush. It will be held January 30 of this year. We also discussed possible projects and social events for spring. Our first meeting of the year is going to be held January 22.

We ended last semester with our Fall Banquet and activation ceremony held in December. It was very successful and concluded with installation of this semester's officers. It was our last official meeting of the year.

Good luck to all our sisters in the coming year!!
